**Re Village Vistas Condominium
Amendment #9**

Gentlepeople:

The Sponsor of the Condominium Offering Plan for the captioned property retained me/our firm to review Schedule B containing projections of income and expenses for the first of condominium operation. My/or our experience in this field includes the current management of two (2) multi-family properties with many similarities to the captioned property as well as thirty (30) years' experience in managing condominium and cooperative property.

I understand that I am responsible for complying with Article 23-A of the General Business Law and the Regulations promulgated by the Department of Law in Part 20 insofar as they are applicable to Schedule B.

I have reviewed the Schedule and investigated the facts set forth in the Schedule and the facts underlying it with due diligence in order to form a basis for this certification. I also have relied on my/our experience in managing residential buildings.

I certify that the projections in Schedule B appear reasonable and adequate under existing circumstances, and the projected income appears to be sufficient to meet the anticipated operating expenses for the projected first of condominium operation.

I certify that the Schedule:

- (i) sets forth in detail the projected income and expenses for the first of condominium operation;
- (ii) affords potential investors, purchasers and participants an adequate basis upon which to found their judgment concerning the first of condominium operation;
- (iii) does not omit any material fact;
- (iv) does not contain any untrue statement of a material fact;

- (v) does not contain any fraud, deception, concealment, or suppression;
- (vi) does not contain any promise or representation as to the future which is beyond reasonable expectation or unwarranted by existing circumstances;
- (vii) does not contain any representation or statement which is false, where I/we: (a) knew the truth; (b) with reasonable effort could have known the truth; (c) made no reasonable effort to ascertain the truth; or (d) did not have knowledge concerning the representation or statement made.

I further certify that I am not owned or controlled by the Sponsor. I understand that a copy of this Certification is intended to be incorporated into the Offering Plan. This statement is not intended as a guarantee or warranty of the income and expenses for the first of condominium operation.

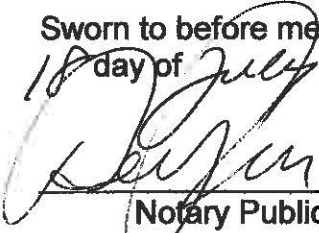

This certification is made under penalty of perjury for the benefit of all persons to whom this offer is made. I understand that violations are subject to the civil and criminal penalties of the General Business Law and Penal Law.

Very truly yours,
